All about Boogles™

Who or What is Boogles™?

Boogles™ is a funky character with a big personality who values business, money, progress and fun.

What is your grand plan?

We want to franchise Boogles™ so that more business owners can benefit from our service.

What is franchising?

The British Franchise Association (BFA): Franchising is the granting of a license by one person (the franchisor) to another (the franchisee), which entitles the franchisee to trade under the trade mark/trade name of the franchisor and to make use of an entire package, comprising all the elements necessary to establish a previously untrained person in the business and to run it with continual assistance on a predetermined basis.

What are your beliefs?

At Boogles™, we believe that there is a huge need for competent, reliable, efficient, friendly book-keepers, and our business model is based entirely around the client.

Why should I join you?

You should join us if you like the idea of being part of a big brand, having access to technical and marketing support and our values & beliefs are the same. We have tried and tested methods & we believe the way

forward is to unite. All franchisees will become members of The ICB & adhere to their Professional Conduct Code.

What are the benefits to me?

We take care of the back office function— invoicing is centralised, which frees up a lot of your time. You will have the backing of a brand behind you which gives you a competitive advantage. The national marketing campaign will drive leads towards you, so

you will grow your business and see a return much more faster, than if you have to do everything yourself, from scratch. You'll have access to the training and systems which will ensure client & staff retention, and the value that is created from the brand, means that you can charge a premium for your service.

How much is the franchise fee?

One Off Fee: £1,497+ VAT —grants you the right to operate as a franchisee for 5 years, with a renewable option at no further cost—every 5 years.

Management Service / Royalty Fee:

12% payable on all new gross sales as a result of operating as a franchisee. Note that for the first five years, we do not make a claim on sales generated from existing clients that you may have.

Is my territory still up for grabs?

Contact us to discuss this.
